TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Greenfield in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The Town House in said Greenfield on Tuesday, the thirteenth day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

Article 1A: To choose all necessary Town Officers for the year ensuing.

Article 1B: To vote by ballot on (3) amendments to the zoning ordinance proposed by the Planning Board.

Town meeting will recess until 7:30 P.M. Friday, March 16, 1979 when Article 2 and the remaining articles of the Warrant will be acted upon.

Article 2: To raise and appropriate such sums of money for the operation and maintenance of Town Property, Old Age Assistance, Social Security, Town Officers' Salaries, Town Officers' Expenses, Legal Expenses, Debt Service, Insurance, Planning Board Expenses, Legal Expenses, Debt Service, Insurance, Planning Board Expenses, Community Services and any other charges arising within the Town as proposed under "Appropriations which Comprise Town Charges" printed elsewhere in this report.

Article 3: To see if the Town will authorize the Selectmen to borrow such sums as are necessary to defray Town charges in anticipation of taxes, or take any action relative thereto.

Article 4: To hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any vote relative thereto.

Article 5: To see if the Town will vote to authorize the Selectmen to dispose of Town property acquired by Tax Collector deeds, or take any action relative thereto.

Article 6: To see if the Town will vote to accept legacies and gifts given the Town in trust or otherwise by any individual or group of individuals or take any action relative thereto.

Article 7: To see if the Town will vote to raise and appropriate the sum of $73,550. for the support of the Public Works Department allocated as follows:

Overall Expenditures	$46,450
Summer Roads	7,250
Winter Roads	11,350
Tarring	8,500
Public Works	0
	$73,550

Article 8: To see if the Town will vote to accept and appropriate $10,866.63 of Highway Subsidy Funds for the maintenance construction or reconstruction of Class IV and V Town Roads, or take any action relative thereto.

Article 9: To see if the Town will vote to accept and appropriate the additional subsidy of $7,045.45 as provided in Chap. 241 Sec. 15 of RSA 1977 to be used in construction and reconstruction of Class IV and V roads which shall be used to increase the highway appropriation for 1977, or take any action relative thereto.

Article 10: To see if the Town will vote to raise and appropriate $817.86 providing

the State will contribute $5,452.42 for the construction and reconstruction and betterment of Class IV and V roads, or take any action relative thereto. (TRA)

Article 11: To see if the Town will vote to accept and appropriate the sum of $1,581.11 as per Chap. 241 Sec. 11 RSA for maintenance of Class V highways, or take any action relative thereto. (Duncan Fund)

Article 12: To see if the Town will vote to appropriate from Revenue Sharing Funds the sum of $5,000. toward the purchase of a new loader for the Public Works Department, or take any action relative thereto.

Article 12A: To see if the Town will vote to authorize the Selectmen to borrow over five years $32,650. to complete the purchase of the loader (total cost, $39,900.) for the Public Works Department, or take any action relative thereto.

Article 13: To see if the Town will vote to raise and return to the General Fund $8,766.67 to reimburse it for the unexpected expense incurred to repair the Grader and Ford dumptruck, or take any action relative thereto.

Article 14: To see if the Town will vote to raise and appropriate the following sums for the support of the Fire Department:

Operating Budget	$3,950
Fire Clothing Budget	875
	$4,825

or take any action relative thereto.

Article 15: To see if the Town will appropriate from Revenue Sharing Funds the sum of $8,930. for 2000' of new 4 inch hose and fittings for the Fire Department, or take any action relative thereto.

Article 16: To see if the Town will vote to raise and appropriate $8,500. for a hose reel installed on Engine #1 to be used with new 4 inch hose, or take any action relative thereto.

Article 17: To see if the Town will vote to accept and appropriate $900 of matching funds from Highway safety Agency for the purchase of Fire Department rescue and first responder medical equipment, or take any action relative thereto. (Chief Burrage, Chief Conway)

Article 18: To see if the Town will extend a vote of appreciation to the Greenfield Woman's Club for its gift of $1,800. for rescue equipment to the Fire Department, or take any action relative thereto. (Selectmen, Fire Department)

Article 19: To see if the Town will vote to increase the Fire Chief's salary to $200. annually, or take any action relative thereto.

Article 20: To see if the Town will vote to raise and appropriate the sum of $13,500. for the support of the Police Department allocated as follows:

Chief's salary	$8,825
Cruiser & radio repairs & maintenance	2,000
Special police detail (Holidays)	1,200
Equipment	300
Training	75
BC/BS	400
PC State retirement fund (mandatory)	750
	$13,550

or take any action relative thereto.

Article 21: To see if the Town will vote to elect a Police Chief for a three year term beginning in 1980, or take any action relative thereto.

Article 22: To see if the Town will vote to accept and appropriate the sum of $1,900. for Police Chief wages from the New Hampshire Crime Commission, or take any action relative thereto.

Article 23: To see if the Town will vote to raise and appropriate the sum of $1,500. for the support of the Recreation Program, or take any action relative thereto.

Article 24: To see if the Town will vote to appropriate the sum of $4,000. from Revenue Sharing Funds to complete the Town's share of the Recreation Project to secure matching BOR Funds, or take any action relative thereto. (Recreation Committee)

Article 25: To see if the Town will vote to raise and appropriate the sum of $3,550. toward the support of Stephenson Memorial Library, or take any action relative thereto.

Article 26: To see if the Town will vote to have the town reassessed at an estimated cost of $15,000. and to empower the Selectmen to advertise and accept or reject any bid for that purpose, or take any action relative thereto.

Article 26A: To see if the Town will appropriate from Revenue Sharing Funds the sum of $5,000. for the purpose of reducing the cost of reassessment, or take any action relative thereto.

Article 26B: To see if the Town will raise and appropriate the sum of $10,000. to be used for reassessment, or take any action relative thereto.

Article 27: To see if the Town will appropriate the sum of $50. from Revenue Sharing Funds for the purpose of advertising hearings, or take any action relative thereto.

Article 28: To see if the Town will vote to raise and appropriate the sum of $125. for the support of the Conservation Commission and the Elm Preservation Group, or take any action relative thereto. (by petition)

Article 29: To see if the Town will accept an interim report from the Town Government Study committee. (Stephen Payne)

Article 30: To see if the Town will vote to show overhead charges such as electricity, telephone, and fuel oil as part of the operating budget of each department or building. This would include the Library, Fire Department, Town Hall, Town Office Building, and Highway Department, or take any action relative thereto. (by petition)

Article 31: To see if the Town will vote to reopen the road in back of the Town Hall, connecting Route 136 to Francestown and Route 31 to Bennington, or take any action relative thereto. (by petition)

Article 32: To see if the Town will vote to employ State Auditors to audit the books of the Town of Greenfield for the ensuing years beginning with 1979, or take any action relative thereto. (by petition)

Article 32A: To see if the Town will vote to raise and appropriate the sum of $4,000. (state estimate) for this purpose, or take any action relative thereto.

Article 33: To see if the Town will vote to change the name of Swamp Road to Sleepy Hollow Road. (by petition)

Article 34: To transact any other business that may legally come before this meeting, or take any action relative thereto.

Given under our hands and seal, this twenty-third day of February of our Lord nineteen hundred and seventy-nine.

Scott S. Carbee

*This includes Fire Department, Town Offices, D.P.W. and Library.

1978 was a milestone year for Greenfield. Our population passed 1000! — 1013 by reliable count at year's end, up from 853. Would we become victims of the population flight to southern New Hampshire?

Fears were somewhat diminished, thanks to positive action toward growth control by our Planning Board. Still the threat to our rural ways was on many minds.

Some concern, too, about the increasing complexity of town government and perennial deficit spending. There was talk of joining with neighboring towns in sharing a professional town manager.

It was a winter of big snows, cold and stormy. Twenty-two inches fell on top of nineteen in mid-January; another two feet early in February. Nothing compared to the floods and destruction in seacoast towns, however.

Good things happened, weather notwithstanding. Ann Geisel, active in town affairs, was appointed to head the Peterborough Library. In our own library, Pat Lusted resigned to pursue another career, and her place was taken by Pat Rainier, whose cheerful smile continues to give us pleasure.

A rollicking winter party at Camp Union was hosted by the Recreation Committee, more than 50 attending. Women's Fellowship, aided by Youth Fellowship Volunteers, raised a good amount for the March of Dimes. The town was complimented by the State on solving its landfill problem.

Webelos youngsters, herded by John Brodie, toured the Currier Art Gallery and the Stellite Tracking Station in Manchester. Fourteen kids got to fly over their town, kindness of Ed Aho of Jaffrey's Silver Ranch.

March saw a new business in town, as Bruce Gagnon hosted a grand opening of his Depot Feed & Supply in the remodelled freight building off Slip Road; also Town Meeting, with 3-way races for DPW and Fire Department chiefs. Results: a full-time police chief in the person of Shep Burrage, and narrow approval of growth-control measures proposed as a town ordinance by the Planning Board (both later modified by events); also $600 raises for Selectmen and Tax Collector and $100 for Treasurer. The meeting closed with a warm tribute to Arthur Blanchard, attending his 55th consecutive Town Meeting.

Expressions of joy greeted pastor Dan Suokko on his return from treatment at Hanover Hospital. Relief at his improved appearance was illusory, however, as later months brought saddening news of his declining health. His courage and faith in the face of a devastating illness, and the devotion of his wife Sylvia, inspired us all. Heartfelt prayers go out to them both.

By May 1, snow had receded into the woods. Daffodils bloomed — two weeks late. Outgoing Woman's Club president Betty Crabtree announced gifts of a new stage backdrop and clock for the town hall, added to the stage curtain previously presented. Doris Hopkins was honored by the State Federation of Women's Clubs in recognition of her long service.

June found our selectmen facing serious questions, brought by a group of concerned citizens. Expenditures and purchasing procedures were aired and queried in a town meeting notable for strong feelings. Emotions were kept in hand by Moderator Peter Hopkins, who stressed that information, not recrimination, was at issue. Some thought the questions adequately answered; others had doubts.

June also brought some 500 antique cars to Crotched Mountain. As many as 14,000 were said to attend. Cars seemed more romantic in those days.

No "Whing-Ding" for this year's 4th. Instead, a family picnic at the State Park, enjoyed by young and old. Little League, coached by Dave Bingham, was having its best season yet. Won 5, lost 7.

Evidence of dry-rot in the Town Hall steeple was discovered. Newly painted inside and out, the fine old edifice looked its resplendent best, with new protective Lexsan covering its stained-glass windows installed by the church. Mid-September saw an historic open-house there celebrating three golden weddings — for Florence and Jarvis Adams, Edythe and Malcolm Atherton, and George and Meta Shea.

Judd Gregg's candidacy for Governor's Council stirred excitement as primary elections neared. His victory, though narrowly contested, gave us a lift. He went on to win in November, his first try at political office.

Greenfield's 4-Hers took blue ribbons galore at the Hillsborough County Agricultural Fair, as trees began to show color. Foliage reached its peak just in time for the Woman's Club Harvest Fair, Oct. 7. The Fair, a rousing success, featured an enormous "squmpkin" weighing 208 pounds! Weather was bright and brisk, as were sales. A book auction the following week brought $3000 for the library despite rain.

Negotiations with Wilton for eventual sharing of their incinerator neared completion. This means mandatory recycling, but hopefully a solution to future rubbish disposal problems.

News came that our growth-limiting town ordinance, approved at town meeting, was voided by a State Supreme Court decision. It is to be re-submitted in substantially the same form, as a temporary zoning ordinance at next town meeting, and ultimately incorporated into the master plan, due in 1980, should it be passed.

Christmas season opened with the annual Women's Fellowship Mini-Mart, featuring Anna Chute as Mrs. Kris Kringle. Hand-made and home-cooked goodies abounded. This plus a Family Carol Festival by the Sunday School, followed by a Jerry Adams, Peter Hopkins hay-ride caroling through the town, made approach of the great day something special. Despite predictions of a non-white Christmas, 12 to 14 inches fell the night before.

TOWN MEETING, Greenfield, N.H. March 14, 1978

Meeting opened at 10 o'clock in the forenoon in the Town Hall. Moderator Peter Hopkins read the warrant through Article one. Gardner Glover lead the Pledge of Allegiance. Moderator Peter Hopkins lead the Lord's Prayer. Thomas Pyron verified the list of legal voters. Polls were open then to the voters.

Polls closed at 6 p.m. Absentee ballots were opened and cast by moderator Peter Hopkins.

293 regular ballots and 16 absentee ballots were cast.

530 names on the checklist.

At 10:10 p.m. Moderator adjourned the meeting until March 17th when article two and remaining articles would be acted on.

State of the Vote:

Referendum questions —

#1 Shall we adopt the new provisions of RSA 72: 43-C relative to expanded exemptions on real estate for the elderly, changing the eligibility requirement that a person may own no more than $35,000 in assets of any kind to a requirement that a person may own no more than $50,000 in assets of any kind? Voted Yes 155 — No 128.

#2 "Shall we adopt the new provisions of RSA 72: 43-b relative to expanded exemption on real estate for the elderly, changing the basis of the exemption from the equalized assessed value to the actual assessed valuation?" Voted Yes 156 — No 113.

Both questions voted in the affirmative.

Zoning changes:

#1 Enforcement: Are you in favor of amending Section 6, to require a Building Permit and a Certificate of Occupancy? Voted Yes 177 — No 107. Voted in the affirmative.

#2 Districts: Are you in favor of amending Section 3, to Add Wetland Conservation District? Voted Yes 187 — Voted No 87. Voted in the Affirmative.

#3 Districts: Are you in favor of amending section 3 to increase the size of lots in Residence Districts A and B to a minimum of two acres with a Minimum of 250 feet of frontage?" Voted Yes 157 — No 126. Voted in the affirmative.

TOWN MEETING, March 14, 1978
Result of the Vote

Selectman for 3 years

Aime Metivier	had 237 votes declared elected
Ed Conley	had 3 votes
Stephen Payne	had 3 votes
Marjorie Aiken	had 2 votes
Robert Geisel	had 2 votes

John Brodie	had 2 votes

Conval School Moderator for 1 year

Harvey Chandler	had 236 votes declared elected.
Peter Hopkins	had 3 votes
Jarvis Adams 3rd	had 2 votes

C.R. Trowbridge and Ed Conley had one vote each.

TOWN MEETING MARCH 17, 1978

March 17th 1978 adjourned Meeting came to order-Moderator Peter Hopkins leading the meeting. The Moderator read the state of the vote for elected officials, Zoning and Referendum ballots.

Art. 2. Scott Carbee chairman of the board of selectmen took over by going to page 21 where the list of appropriations were listed under this article.

Don Ross chairman of the budget committee made a motion to go to Article 22 and discuss same on the raises for town officials as this money was also listed in article two. Voted to do so. After much discussion whereas article was voted in the affirmative the S.S.T. amount was increased $332. therefore went back to article 2 and raised and appropriated the sum of $88,979.44. This also included the raise in the Police Department on S.S.T. FICA Tax Col. and Selectmen $600.00 each increase treas. $100.00 increase.

Art. 3. Moved and seconded to authorize the Selectmen to borrow such sums of money as are necessary to defray Town Charges in anticipation of taxes. Voted in the affirmative.

Art. 4. Moderator Mr. Hopkins stated at this time he wanted to thank the Budget committee for their excellent work. Waldo Stone Selectman also stated his appreciation of their help. Voted in the affirmative to accept reports as printed.

Art. 5. Stephen Payne made an amendment that the Selectmen be directed to sell on or before August 31st of this year all properties that the Town has acquired by Tax Collector's deeds. Mr. Stone said that the voters should vote no on this article amendment for the good of the town. Mr. Dierauf said that before selling should determine the value of the land and find out where land really is. Mr. Frank Hopkins stated should sell any lumber on this land to receive revenue from this land. The Amendment was put to vote and voted not to sell property as Mr. Payne had advised in his amendment. Should maybe make a study of the land that the town does own and it's exact location. Moved and seconded to accept article as printed. Voted in the affirmative.

Art. 6. Moved and seconded to accept legacies and gifts given the Town in Trust or otherwise by any individual or group of individuals. Voted in the affirmative.

Art. 7. Motion moved to raise $64,076.23 for the Public works department. After Mr. Bailey reduced the amount by $3,245.00 because much of the materials purchased at the end of the year was left over and will be used in this year's work. Changed the amount to raise $60,831.01. After much discussion and Mr. Bailey said Muzzey Hill road was going to be graveled this year because of the new homes that had been built on it. (This is an old road and much mud and impassable in the spring of the year). Also Dodge road was to receive much gravel this year. Motion to raise and appropriate the sum of $60,831.01 was seconded and voted in the affirmative.

Art. 8. Motion moved and seconded to appropriate the sum of $10,931.94 of Highway Subsidy Funds for the maintenance of all roads in the town, voted in the affirmative.

Art. 9. Motion moved and seconded to appropriate the sum of $719.43 provided the State pays $4,796.18 for TRA road construction. Selectmen stated this would be put on the So. Bennington Road. Voted in the affirmative.

Art. 10. Motion moved and seconded to appropriate the sum of $1,591.83 Duncan Fund money for maintenance of class V roads under the supervision of the Commissioner of D.P.W. & H. of N.H. motion voted in the affirmative.

Art. 11. Motion moved and seconded to appropriate the sum of $6,265.25 additional subsidy monies for 1978 provided by chapter 241:15 R.S.A. 1977-for reconstruction of Class four and five highways. Voted in the Affirmative.

Art. 12. Motion moved and seconded to appropriate the sum of $4,796.18 to purchase New Swenson Model E.V.R.G.S. Gas engine driven Hydraulic sand spreader Serial #0036 -from Revenue sharing funds. Voted yes - Show of hands Yes 76 No vote against it, therefore voted in the affirmative.

Art. 13. Motion moved and seconded to raise and appropriate the sum of $6,075 for the support of the fire dept. Amendment to Raise and appropriate $4,075 from Taxes and appropriate the sum of $1,000 from the Truck Escrow account that is in the trust fund. Voted in the Affirmative.

A vote was taken in regarding to continue the $2,000 per year for the truck escrow. Voted not to continue doing so. The budget committee was against this escrow also.

Art 14. Motion moved and seconded to raise and appropriate the sum of $1,000.00 as matching funds under title Four for protective equipment. After much discussion, amended article to take the $1,000 out of the general Fund, voted in the affirmative.

Art 15. Chief Charles Burrage gave a summary of surrounding Towns per person rate as cost of Police departments. Mr. Burrage said the Federal Founding is for small towns that have part time Police Force, and that Greenfield came under that area. The funding would be 90% the first year 75% second year, 50% the third year, 25% the fourth year and 10% the fifth year. These funds would assist the town by having a full time police Chief and at the same time help keep the taxes down during the five years. Also at the end of any year the town could withdraw from this full time to a part time chief. Without federal funding Mr. Burrage said the part time chief would receive $2,400. Crusier expense $1,500, uniforms $750 and $300 for extra help. After much discussion, pros and cons, a vote was taken on amendment to raise and appropriate the sum of $7,550 for a part time police department, this was voted down.

Discussion: The full time police chief would receive $12,000 a year 90% of this to be furnished by the Federal Government for the first year. This would be affective as of April First 1978. Mr. Burrage said he wanted $150 per week for his salary. The town monies would be used until the Federal grant is received.

Motion moved and seconded to raise and appropriate the sum of $8,950 for the support of the Full Time police department. After more discussion, voters were asked to vote on the full time police officer. Voted in the affirmative.

Art 16. Motion moved and seconded to raise and appropriate the sum of $3,350 for the support of the Stephenson Memorial Library. Voted in the affirmative.

Art 17. Motion moved and seconded to raise and appropriate the sum of $1,500 for the Recreational Committee and in so doing eliminate the Fourth of July Wing Ding. Voted in the affirmative. Edith Atherton asked if the Wing Ding couldn't still be done or some kind of a celebration on the 4th of July. The moderator asked the voters for a show of hands as to how many would like to have somekind of a 4th of July event — much smaller than previously held. Voted yes. This was only to get the feel of the Town's people as to their desire in the future. Mr. Mark Washburne stated the Recreation Committee didn't make enough money for the long hours of work, and instead they planned every month to put on some kind of entertainment for the children and adults of the town. After 20 years it seems sad to drop the celebration.

Art 18. Motion moved and seconded to raise and appropriate the sum of $1,769.72

as Greenfield's share towards the purchase of a new ambulance by the Town of Peterborough. Voted in the affirmative.

Art 19A. Motion moved and seconded to spend $12,000 to have the Town reassessed. Much discussion on this topic. This was going to cost the tax payers $3,500 and the balance $8,500 would be revenue sharing monies. Mr. Payne was very much against this as he felt the town had been done seven years ago and we should wait at least ten years. The Selectmen were in favor because of the change in the valuation of dwelling in the past few years were going up all the time. The tax rate was based on less than fifty percent of the true valuation of properties that were 100% just a few years ago. After much more discussion a vote was taken. Voted not to have the town reassessed this year.

Art 19B. Moved and seconded to pass over the article.

Art 19C. Moved and seconded to pass over the article.

Art 20. Motion moved and seconded to raise and appropriate the sum not to exceed $5,000 to paint the Town Hall building exterior. Amendment was presented to raise and appropriate the sum of $8,500 for painting and repairing the building. Voters wanted to know if they couldn't use the $10,000 that was raised two years ago at town meeting for the repairs of the grounds, the answer was no. This money is in escrow and will be used for what it was raised for. Voted on the amendment to raise and appropriate the sum of $8,500 — Voted not to raise the amount. The Moderator went back to original motion to raise and appropriate the sum of $5,000. Voted in the affirmative.

Art 21. Motion moved and seconded to authorize the Trustees of Trust Funds to publish their reports in summary form only. Voted in the affirmative.

Art 22. This article was taken up before we voted on article 2. It was voted to raise and appropriate the sum of $2,500 to increase the selectmen's salaries by $600 per year the tax Collector's by $600 per year and the Treasurer's by $100. Voted in the affirmative.

Art. 23. Motion moved and seconded to appropriate the sum of $100 from Revenue Sharing funds for advertising. Voted in the affirmative.

Art. 24. Motion moved and seconded to have the Planning Board control the Residential Construction by limiting number of building permits to any record holder in any building year, as included in the changes that were proposed at their public hearings. After much discussion voted in the Affirmative.

Art. 25. Motion moved and seconded to elect the Town Clerk for a period of Three years instead of one year term. Voted in the Affirmative.

Art. 26A. Motion moved and seconded to authorize the Selectmen to appoint a Committee of five persons to study town government and the advisability of hiring a town administrative assistant. Amendment-Moved and seconded to read to see if the Town will authorize the Moderator to appoint a committee of 7 persons to study all phases of the Town government, to study the advisability or making any changes thereto, and to submit their recommendations in the form of warrant articles at the 1979 Town Meeting. Voted on the amendment in the affirmative.

Art. 26B. Moved and seconded to appropriate the sum of $500 from the General Funds to be used to defray the expenses of the committee. Voted in the affirmative.

Art. 27. Velma Stone read a citation in Arthur Blanchard's honor of Voting and attending Town Meetings, in the Town of Greenfield for the past 55 years without missing a one. **This is the Citation:** I move that whereas Arthur Blanchard has attended and voted at Town Meetings here for 55 years without missing one, that he be recognized and commended by this meeting for his loyalty and exemplary citizenship.

Everyone present was very happy for Arthur and applauded for him. Arthur gave a short talk and thanked everyone for being so kind to him and he said he always enjoyed the meetings and meeting the people and hoped he would be able to attend several more.

Robert Johnson questioned why some officers were omitted on the list in the Town report.

Meeting closed at 11:25 p.m.

Chas Burrage, Bill Bailey and James Conway were sworn in office by Anna M. Chute justice of peace.

A true copy Attest:
Anna M. Chute, Town Clerk

TOWN CLERK'S REPORT
January 1, 1978 through December 31, 1978

-Dr.-

RECEIPTS:		
Automobile permits	$24,003.00	
Filing fees	12.00	
Dog licenses	734.50	
Total Receipts		$24,740.50

-CR.-

REMITTANCE TO TREASURER:		
Automobile permits	$24,003.00	
Filing fees	12.00	
Dog licenses	660.00	
Clerk's fees deducted	74.50	
Total Credits		$24,740.50

A true record of all receipts and remittances during the year 1978.

Signed,
Anna M. Chute
Town Clerk

AUDITORS REPORT

We have examined the accounts of the following town officers for the calendar year 1978 and certify them to be correct.

Selectmen
Treasurer
Town Clerk
Recreation Committee
Revenue Sharing
Tax Collector
Trustee of Trust Funds
Library Trustees

The audit of selectmen's vouchers for the six months ending 6/30/78 showed approximately 6% of payments to be improperly vouched. The audit of selectmen's vouchers for 7/1/78 - 12/31/78 shows significant improvement so that the number of improperly vouched payments is now negligible. In our opinion, however, the task of keeping the selectmen's ledger could be more effectively handled by a trained bookkeeper.

David Grophear
Maurice Lagace
Auditors

REPORT OF TOWN AUDITORS
Town of Greenfield, N.H.
Fiscal Year Ending December 31, 1978 (June 30, 1979)

Statement of Revenues, Expenditures, and Fund Balances

	Revenue Sharing Fund
Available Funds - January 1, 1978 (July 1, 1978)	$20,482.39
Add Revenues:	
Entitlement Payments	9,097.00
Interest	1,275.22
TOTAL AVAILABLE FUNDS	$30,854.61
Less Expenditures:	
Roads - Sand Spreader	$4,787.00
Financial and General Administration	100.00
TOTAL EXPENDITURES	$4,887.00
Available Funds - December 31, 1978 (June 30, 1979)	$25,967.61

We have examined the accounts and records of the Revenue Sharing Fund of the Town of Greenfield, N.H. for the fiscal year ended December 31, 1978. (June 30, 1979).

Signed:
Maurice P. Lagace
David Grophear
Town of Greenfield Auditors
March 6, 1979

STEPHENSON MEMORIAL LIBRARY REPORT
1978

1978 has been an active year at our Library. In January we held a Greek Evening consisting of a movie, an ancient Greek coin presentation by John Brodie and a slide program of Greece today by Connie Phelps.

Our newly appointed Librarian, Pat Rainier, took over her new duties in February.

On May 13th the "Youth Group" helped spring clean the Library in preparation for our new sign dedication which was held on the 20th of May. The Selectmen and townspeople were invited, a book and record sale was held and refreshments served.

Our summer program consisted of Mrs. Frances Fleck providing a creative dramatics program, a reading contest for the children and a weekly story hour.

In August the "Little Red Wagon" was again presented. We also held the Summer Reading Program party with 28 children participating. Certificates and ribbons were awarded.

A "Friends of the Library" volunteer group was organized this year. We thank all who have assisted our Librarian.

In October we again held a book sale in conjunction with the Greenfield Women's Club Harvest Fair. On the 14th of October our benefit auction was held which consisted of items generously donated by Mrs. E. Linwood Davis. The proceeds from the auction formed the E. Linwood Davis Trust Fund which will benefit the children's section and programs at the Library.

In November a poster contest for the elementary school was held during Children's Book Week. We also had new record holders installed in the Children's Room.

In December we held our annual Christmas Party. Mr. Michael Crowe and his assistants entertained the children with their juggling tricks. We have continued with the elementary school children coming weekly for a story hour, library skills and Wednesday afternoon movies. Evening movies for the public have been presented as well. Throughout the year, people have kindly donated books and magazines which are welcomed and greatly appreciated.

Possible new activities for 1979 are a bike safety program which would be conducted in conjunction with the 4-H and the Police Department. A community calendar has been discussed which would inform people of town events. It is hoped that a consultant may be contacted who could advise us on the feasibility of remodeling the Library basement into a meeting room where movies, lectures and educational sources may be held.

Respectfully submitted,
Adele Gagnon, Chairman
Kathleen Gregg
Margaret Brodie

GREENFIELD BOARD OF ADJUSTMENT

During 1979 the Greenfield Board of Adjustment followed a course of action to assure that its actions were in compliance with applicable New Hampshire statues.

Variances were granted for two home operated businesses to serve the needs of the town for their professional services.

In addition a variance was granted to permit sale of two houses and construction of a third on a non-standard sub-division. The general misunderstanding of the status of the sub-division and the hardship that failure to get the variance would have caused, were the determining factors in the Board's action.

Chester C. Soule
Chairman
Board of Adjustment

CONSERVATION COMMISSION 1978

During 1978, members of the Conservation Commission collected and disseminated data about the physical and population makeup of Greenfield to regional and state organizations for use in future planning. Members of the Commission and the Elm Preservation Group (under the direction of Charles Hopkins) administered many preventive and therapeutic treatments to elm trees on both public and private land. Several trees that were severely stricken with Dutch Elm Disease were cut down and removed. It is recommended that all elm tree owners have their trees injected during the mid-Spring season to prevent the start of Dutch Elm Disease.

Respectfully submitted,
Robert C. Geisel, Jr.
Conservation Commission

REPORT OF HEALTH OFFICER

I was appointed to fill the unexpired term of Ronald Christian by the Board of Selectmen.

Investigation of Foster Homes — 1.

Consultation with State Health Dept. — 3.

Respectfully submitted,
Ann M. Conley, R.N.

OVERSEER OF PUBLIC WELFARE

This year five families were served by this office. This consisted of 19 people. Operation Help served many of our families by helping on fuel loans and the winterization program. Also this year a new program to us was Operation Santa. This was a big help at Christmas.

It has been a pleasure to serve the people of Greenfield.

Diane Naylor
Overseerer of Public Works

TOWN OF GREENFIELD
TOWN GOVERNMENT STUDY COMMITTEE REPORT

Article 26A (as ammended) of the 1978 Town Meeting authorized the Moderator to appoint a seven member Town Government Study Committee to examine all phases of town government and to make known their findings and recommendations to the 1979 Town Meeting.

Once appointed, the committee members promptly met to shape out a course for studying Greenfield's situation. Even though several members have recently held an elective town office and were quite familiar with most aspects of town government, we concurred that each and every one of us should gain both a comprehensive and an in-depth understanding of all phases of town government.

To accomplish this we held, over a several months' span, a series of individual interviews with all our elected officials and employed office staff members for the purpose of determining the legitimate functions and responsibilities of each position both as the respective office holder interprets them and as the state's statutes delineate them as well as learn how each office holder actually carries out these duties. During these sessions each interviewer was encouraged to make specific suggestions as to how to make his/her task more effective or efficient. There were many helpful and worthwhile responses.

We have also found a resource of helpful information in publications made available to us by the University of New Hampshire, New Hampshire Municipal Association, and from other municipalities that have made somewhat similar studies. The committee has also sought and received communication from a number of other towns of similar size in order to determine how they conduct their affairs. Along this line, one of the more interesting and exciting aspects of our study has been to see how some other towns have made use of a data processing (computer) service to bring about significant time and money saving efficiencies.

As our studies into the operation of town government have continued new and important information and ideas have continued to come to our attention - so much so that we find that we will not be able to properly complete our study before Town Meeting. We have all agreed that we could not and should not either announce our findings or present our recommendations to the townspeople until we were satisfied that we had achieved a thoroughgoing study.

It is our intention to continue our investigation as we have been doing and to pursue other reasonable avenues of study; and that some several months from now, as we are about ready to conclude our study, we will conduct a well-publicized public hearing wherein we will present our findings and offer our recommendations and at that time we hope to gain further input of thoughtful and constructive ideas from those present.

It is with this plan in mind that the Town Government Study Committee requests that the Town Meeting vote to authorize the continuance of the committee for the insuing year.

Respectfully submitted,
Stephen R. Payne, Chairman

REPORT OF PUBLIC WORKS DEPARTMENT
1978

Upon taking over as Superintendent of Public Works in mid-June, all equipment was either in poor condition or not operating at all. This included the grader and Ford dump truck. To repair these two pieces of equipment alone cost over $8,600.00 which explains a large portion of the overdraft.

All equipment is now in good condition. Recently the DPW has received a 920 CAT loader on a rental purchase agreement with the approval of the Budget Committee and the Selectmen. This will cut costs tremendously on winter and summer equipment rental. This year alone the town spent over $10,000.00 on equipment rental which does not include any TRA work. By using the loader on TRA in future years, the money allocated to this project could be extended that much further. The total cost of the loader is $39,900.00.

This year TRA started on the Old Bennington Road and will continue in 1979.

Duncan Fund monies were used on Muzzey Hill Road where new culverts were installed and widening and ditching were done. Tarring monies were used on Slip Road and East Road.

I wish to thank all the town officials and townspeople for their excellent cooperation since I took office. This enables the DPW to do a much better job for everyone.

Respectfully submitted,
Bruce Gagnon
Superintendent of Public Works

THE TOWN COMMON RESTORATION COMMITTEE

Whereas the previous chairman resigned during the current year, and I was appointed late in the summer, not much constructive work has been done to date.

Three meetings were held last fall, but due the lateness in the season more study was needed before any manual labor can be started. This early spring the master plan should be ready and will be discussed at a public meeting before any work is started.

Respectfully submitted,
Anna M. Chute, Chairman

REPORT OF THE GREENFIELD PLANNING BOARD

During 1978, the Planning Board directed its major efforts towards the development of a Town Master Plan. A Master Plan sub-committee was formed with David Weir, Jr. as Chairman, and they laid the groundwork for the completion of a Town Master Plan during 1980. This Plan will be especially concerned with the physical expansion of the Town over the next 20 years and the facilities and services which will be required by this expansion. State laws require that this Plan be developed by the Planning Board. However, the Board recognizes that the Plan must have the full support of the citizens and will actively seek their guidance through surveys, public hearings, and the use of broadly-based citizens groups.

In early February, 1978, the Planning Board conducted a survey among the adult

population of the Town in order to obtain their opinions on the desired rate of future growth in Greenfield and to obtain guidance for the development of planning policies to help cope with that growth. Over 70% of the Greenfield voters responded to the survey. The major finding of the survey was that a majority (60%) favored a growth rate slower than the rate the Town experienced over the past few years. To control growth, respondents favored limiting the size and number of subdivisions, limiting the number of building permits, and increasing lot sizes. Types of business favored were small home based businesses, retail shops and light industry. Very much opposed was the introduction to Greenfield of heavy industry, shopping malls, or motels. The respondents indicated that they would be willing to appropriate reasonable sums of money for the compilation of maps and data to assist the Board in its development of a Town Master Plan.

At the March, 1978 Town Meeting, voters adopted three changes to the zoning ordinance. The changes were a modification of building inspection procedures, a creation of a Wetland Conservation District, and an increase in lot size and frontage requirements to two acres and 250 feet respectively. In addition, voters approved a warrant article which, through a special Town ordinance, restricted the issuance of building permits. Later in the year, however, the State Supreme Court struck down a similar ordinance of the Town of Raymond. As this action cast doubts on the legality of Greenfield's ordinance, the Planning Board will ask the voters in March, 1979 to adopt these same building permit restrictions as a zoning ordinance with the provision they remain in effect for only two years or until the completion of the Town Master Plan, which ever comes first. The State Supreme Court has indicated that this would be a valid ordinance.

Three subdivisions were approved in 1978 comprising a total of seven lots.

Respectfully submitted,
Jerry Adams, Chairman
Greenfield Planning Board

REPORT OF POLICE CHIEF

1978 was the busiest for the Greenfield Police Department. We responded to 438 requests for immediate assistance, up from 247 responses in 1977.

15 of the responses were for medical assistance calls. To improve service in this area, the Chief has received a personal grant under the Law Enforcement Educational Program to enroll in an Emergency Medical Technician course at a nearby college. His 110 hours of medical training will be completed in the spring of 1979.

In a new co-operative effort with the Hillsborough County Attorney's Office, an Assistant County Attorney comes to the Peterborough court to prosecute Greenfield's Police Department cases when we request him. Our 168 court cases had 165 guilty findings and only 3 not guilty findings.

The most common charges were:

Speeding	52
Unregistered Vehicle	19
Operating after suspension of license	8
DWI	6
Theft	6

As well as prosecuting cases, the County Attorney arranged for his office to do

training seminars done here in Greenfield. A total of 23 officers from eight area town Police Departments attended that session.

In 1978 the Police Department launched a vigorous program of daytime patrol of the town beaches. 68 carloads of non-townspeople were asked to leave Zephr Lake Beach and 44 carloads from Sunset Beach. As well as the 112 cars, and an ice cream vending truck were asked to leave Sunset Beach until the operator obtained proper town permit, for which no application was ever filed.

1978 was a year in which the Police Department was able to serve you more than ever. It is anticipated that the continuing growth of this community will allow us to serve you more in 1979 and the years after. With that in mind, we are striving to improve the professionalization of your police service.

Respectfully Submitted,
Charles S. Burrage, Chief

GREENFIELD FIRE DEPARTMENT

Greenfield Fire Department answered the following calls during 1978.

Building Fires	3
Car Fires	3
Chimney Fires	2
Brush Fires	3
First Aid Calls	7
Assist Ambulance	4
Cover Truck	3
Gas Wash	2
Dump Fires	3
Mutual Aid	4
False Alarms	6
Miscellaneous Calls	3
Total Calls	43

I wish to take this opportunity to express my appreciation to the citizens of Greenfield and members of the Fire Department for their help and support given to the department and myself during the past year.

It is our goal this year to develop a highly trained emergency medical team. Our intent is to provide first aid attention until the Peterborough Ambulance arrives some ten to twenty minutes later. Working with the equipment we have obtained from generous donations and fund raising, we hope to be able to better serve the citizens of this fine Community.

Respectfully Submitted,
James Conway, Chief

REPORT of DISTRICT FOREST FIRE CHIEF and YOUR FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to $1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!
